

Bluetooth® MUSIC TRANSMITTER

The BluBridge mini-jack is a small, Bluetooth wireless music transmitter that works with any headphone jack (3.5mm). Connect CD/DVD players, MP3 players, laptops or any device with a 3.5 mm headphone jack. Enjoy your music without the hassles of wires.

The BluBridge mini-jack transmitter works with any Bluetooth compatible receiver such as the BluBridge headphones or BluBridge mini-jack RX. The audio jack swivels allowing for easy storage, portability and hard-to-reach connections. Press and hold the power button and the BluBridge mini-jack Rx and it will automatically search for compatible devices and the integrated LED lights display connection and charging activity. A fully charged mini-jack provides up to 7 hours of music transmission or operates continuous with USB power.

Package includes: BluBridge mini-jack, USB cable and User manual.

Specifications

MSRP :	\$59.99
Model:	BluBridge mini-jack
Part#:	BBMJ-02
Bluetooth®:	V2.0, class 2 10m, (33ft) A2DP
Usage:	Up to 7 hours

Bluetooth® MUSIC RECEIVER

The BluBridge mini-jack Rx is a Bluetooth® wireless music receiver that connects to any stereo audio input. You can use it in your car or at home to enjoy wireless music. Connect to your car MP3 input and listen to your music loud and clear, no more hassle of FM transmitters and finding an open frequency. Use with your home stereo or AV system and use your mobile phone like a remote.

The BluBridge mini-jack RX receives Bluetooth® wireless signal from any compatible mobile phone, laptop, iPad or transmitter such as the BluBridge mini-jack. Press and hold the power button and the BluBridge mini-jack Rx and it will automatically search for compatible devices and the integrated LED lights display connection and charging activity. The fully charged mini-jack Rx provides up to 8 hours of music reception or operates continuous with USB power.

Package includes: Stereo mini-jack cable, mini-jack adapter, Stereo Y cable, USB charging cable, and User manual.
